1. Description of product

The shower stool with handles is intended for use in a bathroom or shower. The shower stool provides a stable seated surface for users with reduced mobility who are unable to stand for a long period of time.

WARNING:

- Ensure these instructions are fully read and implemented. Failure to do so may result in injury. Keep these instructions in a safe place for future reference.
- Maximum user weight of 25st 160kg should not be exceeded.
- Do not attempt to stand or climb on the product.

2. Instructions for use

The product arrives fully assembled. Remove the products packaging and check product carefully.

2.1 Adjusting the height

- (a) Remove the 'e-clip' and slide the leg to the desired position.
- (b) Align the holes and re-insert the 'e-clip'.
- (c) Repeat step (a) and (b) for all four legs.

NOTE:

- If any parts appear damaged do not use and contact your supplier immediately.
- Ensure all legs are set at equal height to avoid instability.

3. Cleaning Instruction

Clean regularly using a general purpose, neutral detergent and warm water.

To disinfect the shower stool, wipe with a dilute bleach solution and rinse thoroughly with fresh water.

Allow the product to dry fully prior to use/storage.

CAUTION:

- Check the suitability of the cleaning products before use.

WARNING:

- Abrasive cleaners or cloths should not be used as these could permanently damage the surface and invalidate any warranty.

4. Maintenance

Check that all 'e-clips' are inserted correctly and that there is no excessive movement.

Inspect the product regularly for signs of wear or damage, pay particular attention to the condition of the ferrules.

Any suspected faults or damage should immediately be reported to the supplier and the product taken out of use.

5. Product disposal
